To Whom It May Concern:

I am pleased to provide this letter of recommendation to the General Services Administration on behalf of Birchwood BP LLC. Mr. Prather is the current building owner of the Detroit District Office and completed this building in February 2009.

Mr. Prather takes great concern and care of his property in Detroit. The building provides a Class A office in the midst of downtown Detroit. Throughout the building's construction, Mr. Prather was very accommodating to meet the many needs of our agency and our timeline to complete the project on schedule. Great care was taken in the selection of durable materials that present a professional office. Additionally, Mr. Prather has provided USCIS Detroit with a secure work environment both for our employees and visitors. The building has been well-received within USCIS as well as with our clients and supporting agencies within the greater Michigan area.

Upon completion of the building, Mr. Prather has remained fully-engaged with ensuring that our needs continue to be met. He is easy to contact and responsive to all building-related requests. The occupants of the building have been pleased with the maintenance contractors that are in place and we maintain a good working relationship with those individuals as well as Mr. Prather.

It is with the great confidence that I recommend Mr. Chuck Prather of Birchwood BP LLC. Should you have any questions, please feel free to contact me at Mick.Dedvukaj@dhs.gov.

Sincerely,
